

YA Govt. College for Women, Chirala

Department of Hindi

(Best Practices 2022 – 23)

Learn a new word every day

Goal:-

- ❖ to make the students **concentrate on the National Language** Hindi
- ❖ to **promote the Language** among the students

Context: - Hindi is our National Language and Official Language. As per the Principle (Thri Bhasha) of our Indian Government, we should learn our mother tongue, National Language Hindi, and the International Language English.

Practice: - In this regard, as a Best Practice, the Department of Hindi took the initiative to write **one Hindi word every day** on the Black Board so that the **students would go through it and concentrate to learn.**

Evidence of Success: -

- ❖ Students accustomed to go through the words written every day on the board.
- ❖ They got interested in learning at least one word per day.
