Report on Job Oriented Competitive Examinations in Banking Sector

Students got benefited with common topics that are repeated in various competitive examinations. They can now enhance and overcome with difficult parts like Analytical skills, arithmetic & reasoning and various important topics in English.

This coaching period is very essential for the time management in objective type of questions and for continuous practice of the model papers by the effective teaching and learning methods.

Continuous monitoring and performance analysis students were to enable then to write the examinations with confidence special doubt learning classes were also conducted. The previous question papers were analyzed and student were given various easy techniques to find the solution of the numerical problems.

The coaching enhanced the conceptual understanding and problem, solving skills of students. The students actively participated in coaching, special doubts clearing were also conducted continuous monitoring and performance analysis were done to enable the student to write the examinations the coaching were completed on.

The resource person was V. Ramesh. He explained the importance, scope and preparation strategies of competitive examinations the total 130 final year students are attended the program.

V. Ramesh was explain the some topics related to the competitive examing
