Calendar Release

Date :1-1-2020

Title of the Practice: Calendar Design

Objectives of the Practice:

To improve the designing skills, Technical skills and Presentation skills in Students.

The Context:

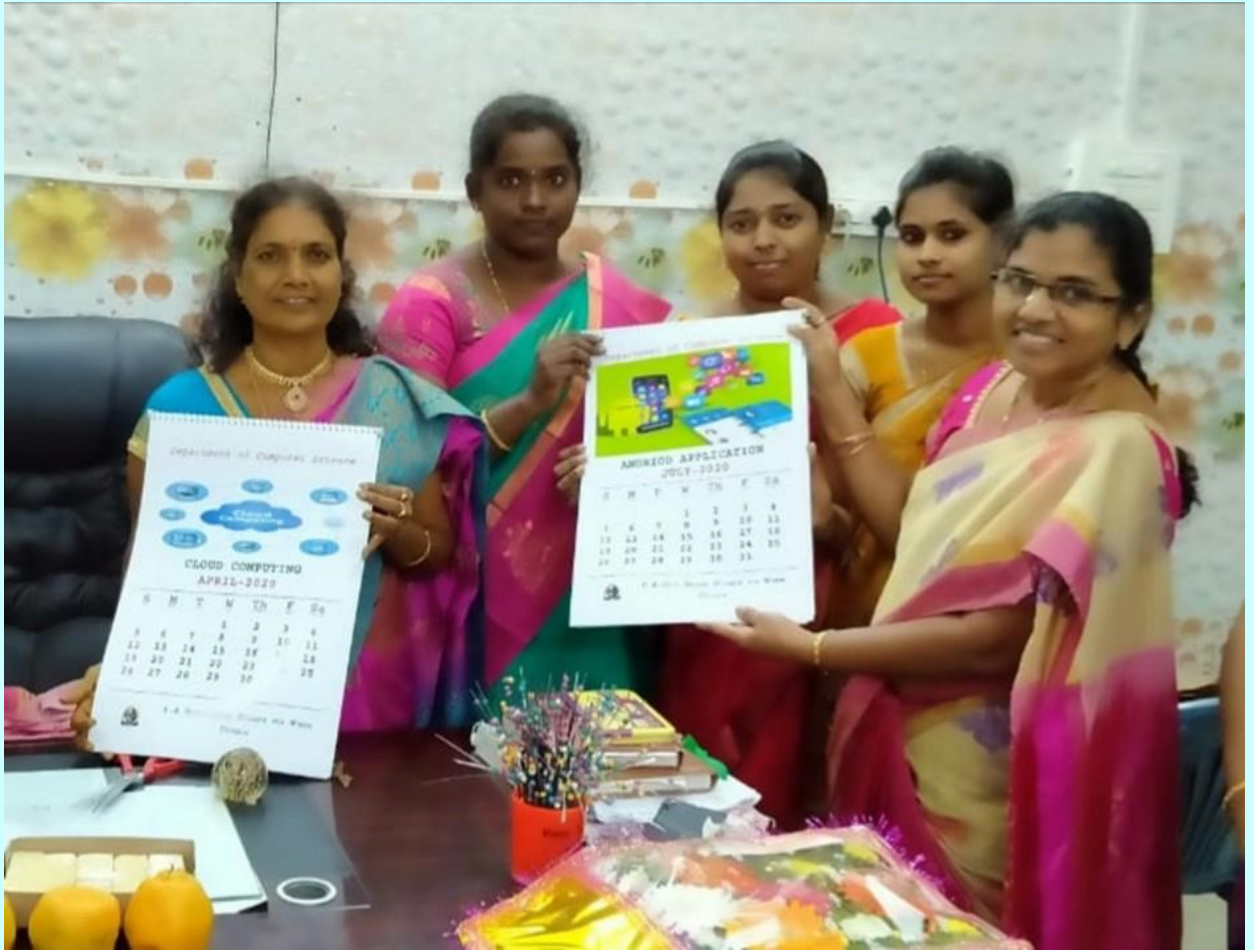

This is one of the ways to incorporate learner centered strategies in the classrooms. learner-centered education helps the students to develop skills for their professional careers.

The Practice:

The Department of Computer Science released the 2020 D.T.P Calendar designed by the students on 01-01-2020. Dr.Ch.Ramanamma, principal, Smt. K.M.S.Sailaja Rani, Lecturer in computer science T. Bala Tripura Sundari, V. Praharshitha and A. Deepthi, Guest Faculty of Dept. Computer Science, and other college staff members participated in the Department “Calendar Release”.

Adobe Photoshop was used to design this calendar. Photoshop design fundamentals are explained to the students by the dept of Computer Science. Students learned and participated actively to design the calendar for the year 2020. The Students acquired Designing skills, Technical skills and Presentation skills and also they came to know how to design a calendar by themselves.

Evidences:

Problems Encountered and Resources Required:

Due to a smaller number of systems, some students did not participate actively.
