15 DAYS RESIDENTIAL INTERNSHIP PROGRAMME ON ORGANIC FARMING

START DATE:01/11/2020

END DATE: 15/11/2020

Department Of Chemistry YAGC W Chirala Accommodated Bsc Students Of The Academic Year 2020-2021 For 15 Days Residential Internship Programme On organic farming in Saral Agrochemicals Private Limited,Balajinagar Nellore.

Nature of internship: Training on organic farming by using organic fertilizers and pesticides.

Intention:To provide a platform to the students regarding Minimising The usage of chemical pesticides and fertilizers.

Result:Students participated got awareness regarding organic farming.

1.Usage Of Organic Fertilizers

Organic fertilizers are naturally available mineral sources that contain moderate amount of plant essential nutrients. They are capable of mitigating problems associated with synthetic fertilizers. They reduce the necessity of repeated application of synthetic fertilizers to maintain soil fertility.

2.Application Of Organic Pesticides

The use of botanical and mineral-bearing pesticides, even though some are toxic, also can be incorporated into an Integrated Pest Management (IPM) approach to growing crops. IPM relies on a variety of pest control means rather than on one product or method. The pesticides discussed below are appropriate to include in IPM programs.

Report on Job Training on Swathi Textiles

Start Date:-18-08-2020

End Date:-19-09-2020

Swathi Textiles Located in Chirala is one of the branded Textiles which is into manufacturing and trading of goods. It has its branches in many cities of South India. As it is one of the marketable and reputed Textile Company, the college decided to send few of the B.com students for on job training and Internship. The Swathi Textiles were very happy to receive our students for the Internship as they could learn certain skills from the employees.

About the Training: In this Training our students have done their Internship for about 30 days. To observe the Manufacturing procedure, quality of the good is also observed. The packing and labeling of the goods is also explained by the workers in detail to our students. In this training the customer expectations from the Textile Company / seller is observed. Most of the customers expected good relations with them; as such this motivates them to purchase goods. The best way to improve sales is to retain the customer for upcoming sales and to build customer loyalty with them.

Outcomes:-

- Students Learnt managerial skills which are beneficial for them at hard situations.
- Practical knowledge on trade activities, manufacturing activities is gained by the students.
- The tactics of a Sales manager and Human Resources Manager are also learnt by the student
