Report:

3

Students got benefited with common topics that are repeated in various competitive examinations. They can now enhance and overcome with difficult parts like Analytical skills, Arithmetic & reasoning and various important topics in English.

This coaching period is very essential for the time management in objective type of questions and for continuous practice of the model papers by the effective teaching and learning methods.

Continuous monitoring and performance analysis students were to enable them to write the examinations with confidence. Special doubt learning classes were also conducted. The previous questions papers were analysed and students were given various easy techniques to find the solution of the numerical problem.

The coaching enhanced the conceptual understanding & problem solving skills of students. The students actively participate in coaching, special doubts clearing were also conducted. Continuous monitoring and performance analysis were done to enable the students to write the examinations. The coaching were completed on

The resource person was A. Aswini Kumari. He explained the importance, scope & preparation strategies of competitive examination. The total 130^{final year} students are attended the program.
