

Y.A.GOV.T.DEGREE COLLEGE FOR WOMEN, CHIRALA.

DEPARTMENT OF COMMERCE

BEST PRACTICES

FOR THE ACADEMIC YEAR 2018-2019

Title of the Practice: - Students outreach program.

Goal:-To extend the services to the students of neighboring colleges so as to serve the society as a whole. Also this program is designed to encourage the disadvantaged students by sharing the knowledge to be imparted to them.

The Context: - II B.com students took the initiative with the innovation of commerce department. Few meritorious students were selected for this program. They have choose a problem oriented paper income tax'-to give an awareness to the students. So vignan college Chirala was selected for outreach program .our students have given an awareness of what is tax how the revenue collected is used for the welfare of the public. Students have a very wrong about tax but since our students shared their knowledge with then they understood the concept behind tax.

The Practice: - Commerce dept has been participate students outreach program as a best practice from the establishment of the dept. It will benefit both the students. Students get passionate towards teaching due to this outreach program

Evidence of Success:-Students are provided not only with academic foundation but also to develop their self-confidence, leadership qualities and their responsibility towards the community

Problems Encountered:- Some of the students are from non-commerce background so our students have tax pain to explain with many examples.
