University)

DEPARTMENT OF MATHEMATICS

RECORD OF BEST PRACTICES

1. Daily Puzzles and Problems

The department of mathematics is practicing to write a puzzle or problem related to Analytical, Logical Thinking on a Black Board daily in the morning before 9.45 am. All the staff and students of both degree & Juniuo Colleges who are passing by and also coming to Assembly can see it and learn. Like that we are making every student to learn a problem. Even Staff members can also learn a problem or a puzzle daily.
