RESEARCH POLICY

- The research policy of the college is to aim at supporting a congenial research culture among its teachers and students.
- It also aims at enriching the professional competence of the faculty members; for developing and promoting scientific temper and research aptitude of all learners.
- It also aims at ensuring that the research activities of the college conform to all applicable rules and regulations as well as to the established standards and norms relating to safe and ethical conduct of research.

Features of the policy:

- The institution promotes research aptitude by the provision of attending conferences, workshops, symposia etc by the faculty
- The college creates an amiable atmosphere for the faculty to pursue research degrees
- The faculty are advised and supported for the conduct of workshops/seminars/symposia/webinars etc.
- The institution recommends to the faculty to approach national and international sponsoring organizations such as UGC, ICSSR, ICHR, ICPR, DST etc. to fund major and minor research projects.
- Official Code of Ethics is already in place to check compromise in research and publication ethics
