Report on Job Training on Tally/M.S.Office in Sai Ram Computer Education

Start Date: 16-08-2018

End Date:- 15-09-2018

The Department of Commerce and Sai Ram Institute of Computers has signed a Non-Profitable MOU in the year 2018-2019 for the purpose of extending and sharing their knowledge for our B.Com Students. The Sai Ram Institute, Chirala has provided a free coaching and trained the B.Com students in the course M.S. Office.

About the Training:- In this course of MS Office the Sai Ram Institute has imparted knowledge on the concepts namely word processor, Excel, Power Point Presentation and E-Mail client to our students. As B.Com General Students do not have knowledge on the basis of computers, so there is a need for the students to know the basics of computers keeping this in mind the department of commerce has collaborated with Sai Ram Institute computers to train the students in learning Microsoft Word.

Outcome:- Sai Ram Institute has extended their service to our college in training the students in the Academic Year 2018-2019 free of cost. Which made our students benefited with the course. The students were informed and allowed to take training for two days in a week after the college hours in the Sai Ram Institute all the students were benefited with the course.
