8	Attendance of students Slip tests and unit tests	90%	5%	3%	2%
9	participation of students in co-curricular activities	90%	5%	5%	-
10	Departmental library facility	80%	10%	10%	-

Action Taken Report:

The principal of the college is initiated the following action based on the feedback obtained from the staff.

The teachers were advised to make the optimum utility of the available time for the coverage of syllabus of two semesters in a year. Those who are not using fully ICT facilities were advised to make the optimum utility of virtual class room, digital classroom, computer lab and JKC Lab etc., The teachers were advised to revise the completed syllabus before the semester examinations. They were encouraged to participate in more faculty development programs. Furniture facilities will be provided by contacting the CCE (Commissioner of Collegiate Education) authority. Efforts are taken to provide more computers systems to the teachers. More books and Journals will be subscribed for the teachers. The teachers were advised to council the students who were repeatedly absent for slip test/unit test. They were suggested to involve more students in more curricular activities. The Departmental library facility will be improved further.
