

Pollution Awareness Rally

Date: 01.10.2019

NO. OF NSS VOLUNTEERS PARTICIPATED: 85

OBJECTIVE:

The main objective of conducting Pollution awareness Rally is to motivate the general public to stop the pollution and to make them aware about the harms caused by pollution.

DESCRIPTION:

NSS Unit of our college has conducted an Awareness Rally on Pollution in collaboration with Enadu and Eco-Club. Principal Dr. Ch. Ramanamma started the rally and explained the importance of protection of Earth from Pollution. NSS Volunteers participated in the programme and took the Oath to not to use Plastic and Protection of Earth.

OUTCOME:

NSS volunteers created awareness among the people the harmful effects of pollution on the survival of human life.
